Date	8 th grade	7 th grade	6 th grade
Week 4	Music Standards: 2,5,6,8 Related Standards: Math 8.2 Objectives: <u>Students will review:</u> chromatic, Eb, and Bb scales as well as page 6 in Essential Elements. <u>Students will learn:</u> FM(2 octaves), new 6/8 rhythms, sixteenth – dotted eighth rhythms, technique exercises on page 7 of Essential Elements, and band literature. Vocabulary: waltz, allegro and moderato Materials: Essential Elements lesson book, sheet music and Junior scales Procedure: We will warm up with lip slurs (brass only), double stroke open rolls (percussion only), Bb, Eb and chromatic scales. Then we will rehearse pages 6 and 7 in the lesson book and band literature. *Section leaders may help students who are struggling. Assessment: Constant listening during rehearsals and a playing test on the Bb and Eb scales.	Music Standards: 2,5,6,8 Related Standards: Math 7.2 Objectives: <u>Students will review:</u> Chromatic, Bb and Eb scales, and technique exercises on page 7 of Essential Elements. <u>Students will learn:</u> FM (one octave), Cut time and all related technique exercises on page 8 of Essential Elements as well as band literature. Vocabulary: cut time/alla breve, moderato, march tempo, and allegro Materials: Essential Elements lesson book and sheet music Procedure: We will warm up with lip slurs (brass only), double stroke open rolls (percussion only), Bb, and Eb scales. Then we will rehearse pages 7 and 8 of Essential Elements and band literature. *Section leaders may help students who are struggling. Assessment: Constant listening during rehearsals and a playing test on Bb and Eb scales.	Music Standards: 2,5,6,8 Related Standards: Math 6.2 Objectives: <u>Students will review:</u> Posture, playing position, embouchure and exercises on pages 4-7 in Essential Elements. <u>Students will learn:</u> new pitch (concert G) and technique exercises on page 8 of Essential Elements. Vocabulary: Fermata and harmony Materials: Essential Elements lesson book and sheet music Procedure: Warm up with exercises on pages 4 & 5. Then rehearse pages 6 - 8 in Essential Elements. *Section leaders may help students who are struggling. Assessment: Constant listening during rehearsals and a playing test on #13 and #23.

Week	8 th grade	7 th grade	6 th grade
Week 5	Music Standards: 2,5,6,8 Related Standards: Math 8.2 Objectives: <u>Students will review:</u> chromatic, Eb, and Bb scales as well as page 7 in Essential Elements. <u>Students will learn:</u> 12/8 time, discuss compound meter rhythms and technique exercises on page 8 of Essential Elements, and band literature. Vocabulary: moderately, serenade, lento, compound meter, 12/8 time Materials: Essential Elements lesson book, sheet music and Junior scales Procedure: We will warm up with lip slurs (brass only), double stroke open rolls (percussion only), Bb, Eb, F, and chromatic scales. Then we will rehearse pages 7 and 8 in the lesson book and band literature. *Section leaders may help students who are struggling. Assessment: Constant listening during rehearsals and a playing test on the F scale from page 7 of the lesson book.	Music Standards: 2,5,6,8 Related Standards: English 7.2 Objectives: <u>Students will review:</u> Bb, Eb, F (one octave), Cut time, and Page 8 of Essential Elements. <u>Students will learn:</u> new dynamic (mp) and syncopation. Vocabulary: mezzo piano(mp), syncopation, moderato, and march style. Materials: Essential Elements lesson book and sheet music Procedure: We will warm up with lip slurs (brass only), double stroke open rolls (percussion only), Bb, F, and Eb and chromatic scales. Then we will rehearse pages 8 and 9 of Essential Elements and band literature. *Section leaders may help students who are struggling. Assessment: Constant listening during rehearsals and a playing test on the F scale and a selection from page 8 in the lesson book.	Music Standards: 2,5,6,8 Related Standards: English 7.3 Objectives: <u>Students will review:</u> Posture, playing position, embouchure, and exercises on pages 4-8 in Essential Elements. <u>Students will learn:</u> new pitch (concert A) and technique exercises on page 9 of Essential Elements. Vocabulary: pick-up notes, dynamics, forte, mezzo forte and piano Materials: Essential Elements lesson book and sheet music Procedure: Warm up with exercises on pages 4 - 6. Then rehearse pages 7- 9 in Essential Elements. *Section leaders may help students who are struggling. Assessment: Constant listening during rehearsals and a playing test on #27and #31.

Week	8 th grade	7 th grade	6 th grade
Week 6	Music Standards: 2,5,6,8 Related Standards: English 8.3 Objective: Review F, Bb, Eb and chromatic scales (2 octaves) and page 8 in Essential Elements. Learn c natural, harmonic minor scales and continue to work on Christmas music. Vocabulary: lento misterioso andante Materials: Essential Elements lesson book and sheet music Activity: We will rehearse F, Bb, Eb and chromatic scales along with technique exercises in Essential Elements on page 9 as well as Band Literature Assessment: Constant listening during rehearsals.	Music Standards: 2,5,6,8 Related Standards: English 7.3 Objective: Students will review: Review F, Bb, Eb and chromatic scales (1 octave) and page 9 in Essential Elements. Students will learn: C Major scale and related exercises on page 10 in the lesson book as well as band literature. Vocabulary: andante, march tempo, moderato Materials: Essential Elements lesson book and sheet music Activity: We will rehearse F, Bb, Eb and chromatic scales along with technique exercises in Essential Elements on page 10 as well as Band Literature Assessment: Constant listening during rehearsals.	Music Standards: 2,5,6,8 Related Standards: English 6.3 Objective: students will review technique exercises on pages 6 through 9. Students will learn technique exercises on page 10 and 11. Vocabulary: Eighth notes, Rossini, piano, mezzo forte, forte Materials: Essential Elements lesson book and sheet music Activity: Students will rehearse pages 6 through 9 then learn new exercises on pages 10 and 11. Assessment: Constant listening during rehearsals.

Week	8 th grade	7 th grade	6 th grade
Week 7	Music Standards: 2,5,6,8 Related Standards: Math 8.3 Objective: Students will review: F, Bb, Eb, (two octaves) and Chromatic scales as well as page 9 in Essential Elements. Students will learn: related exercises in Essential Elements and Christmas music. Vocabulary: Andante, divisi Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 10. We will also rehearse Christmas music.	Music Standards: 2,5,6,8 Related Standards: Math 7.3 Objective: Students will review: F, Bb, Eb, (one octave) and Chromatic scales as well as page 10 in Essential Elements. Students will learn: sixteenth note patterns and related exercises in Essential Elements page 11as well as Christmas music. Vocabulary: Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 11. We will also rehearse Christmas music.	Music Standards: 2,5,6,8 Related Standards: Math 6.3 Objective: Students will review: technique exercises on pages 8-11. Students will learn: technique exercises on page 12 of Essential Elements as well as Christmas music. Vocabulary: andante, round, crescendo Materials: Essential Elements lesson book and sheet music. Activity: We will warm up with technique exercises on pages 8-10 in Essential Elements. We will rehearse related technique exercises in Essential Elements on page 12. We will also rehearse Christmas music.

Week	8 th grade	7 th grade	6 th grade
Week 8	Music Standards: 2,5,6,8 Related Standards: English 8.3 Objective: <u>Students will review:</u> F, Bb, Eb and chromatic scales and exercises on page 10 of Essential Elements. <u>Students will learn:</u> dotted sixteenth, eighth, and sixteenth note patterns as well as triplet patterns with eighth rests. Vocabulary: Giocoso, Claude Debussy Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 11. We will also rehearse Christmas music.	Music Standards: 2,5,6,8 Related Standards: Math 7.3 Objective: <u>Students will review:</u> sixteenth note patterns and concert C, Bb and Eb scales. <u>Students will learn:</u> Ab as well as eighth – sixteenth note patterns. Vocabulary: Moderato, Ab major Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 14. We will also rehearse Christmas music.	Music Standards: 2,5,6,8 Related Standards: Math 6.3 Objective: <u>Students will review:</u> technique exercises on pages 11 and 12. <u>Students will learn:</u> technique exercises on page 13 as well as continue to work on Christmas music. Vocabulary: Allegro, Moderato Materials: Essential Elements lesson book and sheet music. Activity: We will warm up with articulation exercises. Then we will review pages 11 and 12. Students will work on page 13 and Christmas music.

Week	8 th grade	7 th grade	6 th grade
Week 9	Music Standards: 2,5,6,8 Related Standards: math 8.3 Objective: Students will review: G, C, F, Bb, Eb, Ab and Db Major Scales, Students will also rehearse and refine Veterans Day Music, Christmas music. And related exercises in the key of G on page 26 & 27, then related exercises in the key of F on page 10 & 11 of Essential Elements Students will learn: The importance of balance and blend within the ensemble. Students will also begin to work on the first section of a new Christmas concert piece. Vocabulary: allegretto, Grazioso Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns and/or long tones. We will rehearse related technique exercises in Essential Elements on page 26, 27, 10, and 11. We will also rehearse Veterans Day & Christmas music.	Music Standards: 2,5,6,8 Related Standards: math 7.3 Objective: Student will review: G, C, F, Bb, Eb, Ab and Db Major scales, Students will continue evaluate and refine tone and pitch on the afore mentions scales. Students will learn: Technique exercises on page 9 of Essential Elements. Students will Continue to rehearse, evaluate and refine Veterans Day and Christmas Music. Vocabulary: moderato, Syncopation, March style Materials: Essential Elements lesson book and sheet music Activity: We will warm up with Major scales with different articulation patterns and/or long tones. We will rehearse related technique exercises in Essential Elements on page 9. We will also rehearse Veterans Day and Christmas music.	Music Standards: 2,5,6,8 Related Standards: math 6.3 Objective: Students will review technique exercises on page 11 through 12. Students will learn: How to play in different parts on the Chorale and in a round. Vocabulary: Round, Crescendo, Decrescendo, Dynamics Materials: Essential Elements lesson book and sheet music Activity: We will warm up with articulation exercises and “Star Wars Warmup”. Then we will review page 11 to 12 and Christmas music.

Week	8 th grade	7 th grade	6 th grade
------	-----------------------	-----------------------	-----------------------

Week 10	Music Standards: 2,5,6,7 Related Standards: math 8.3 Objective: Students will review: G, C, F, Bb, Eb, Ab and Db Major Scales, Students will also rehearse and refine Veterans Day Music, Christmas music. And related exercises in the key of F on page 10 & 11 of Essential Elements Students will learn: The importance of balance and blend within the ensemble. Students will also refine work on the first section of a new Christmas concert piece which is also in the key of F. Vocabulary: allegretto, Grazioso Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns and/or long tones. We will rehearse related technique exercises in Essential Elements on pages 10 and 11. We will also rehearse Veterans Day & Christmas music. Assessment: Playing test on F & Db Major scales Wednesday	Music Standards: 2,5,6,7 Related Standards: English 7.3 Objective: Student will review: G, C, F, Bb, Eb, Ab and Db Major scales, Students will continue evaluate and refine tone and pitch on the aforementioned scales. Students will learn: Technique exercises on page 9 and 10 of Essential Elements. Students will Continue to rehearse, evaluate and refine Veterans Day and Christmas Music. Vocabulary: Moderato, Syncopation, March style Materials: Essential Elements lesson book and sheet music Activity: We will warm up with Major scales with different articulation patterns and/or long tones. We will review page nine as time permits and learn new related technique exercises in Essential Elements on page 10. We will also rehearse Veterans Day and Christmas music. Assessment: Playing test on F & Db Major scales Wednesday	Music Standards: 2,5,6,7 Related Standards: English 6.3 Objective: Students will review exercises on pages 10 through 12 of Essential Elements. Students will learn related exercises on page 13, three four time as well as the three four conducting pattern. Vocabulary: Moderato, andante, three four time Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 13 and 14. We will rehearse and record Christmas Music. We will also listen to the recording and evaluate our performance in preparation for the concert. Assessment: Playing test on Exercise #31 Wednesday
-----------------------	--	---	--

Week 11	Music Standards: 2,5,6,7 Related Standards: Math 8.3 Objective: Students will review: F, Bb, Eb and complex rhythms in compound meter (pg 12 in Essential Elements Book 3). Students will Learn: Em Concert Scale, as well as apply sixteenth note patterns in compound meter (pg 13 in Essential Elements). Continue to polish Veterans Day and Christmas music. Vocabulary: moderato, allegro vivo, allegro Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 12 and 13.	Music Standards: 2,5,6,7 Related Standards: Math 7.3 Objective: Students will review sixteenth eighth note patterns in simple meter (pg 15 Essential Elements). Students will learn to add more detail to Veterans Day, Christmas music and exercises in the Essential Elements book on page 16. Vocabulary: moderato, allegretto, rallentando Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 15 and 16.	Music Standards: 2,5,6,7 Related Standards: Math 6.3 Objective: Students will review exercises on page 14 of Essential Elements. Students will learn three four time as well as the three four conducting pattern and related exercise on page 15 of Essential Elements. Vocabulary: moderato, andante, three four time, accent Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 14 and 15.
-----------------------	---	--	---

Week 12	Music Standards: 2,5,6,7 Related Standards: Math 8.3 Objective: <i>Review everything from the previous week on Monday -</i> Students will review: F, Bb, Eb and complex rhythms in compound meter (pg 12 in Essential Elements Book 3). Students will Learn: Eb Concert Scale, as well as apply sixteenth note patterns in compound meter (pg 13 in Essential Elements). Continue to polish Veterans Day and Christmas music. Vocabulary: moderato, allegro vivo, allegro Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 12 and 13.	Music Standards: 2,5,6,7 Related Standards: Math 7.3 Objective: <i>Review everything from the previous week on Monday -</i> Students will review sixteenth eighth note patterns in simple meter (pg 15 Essential Elements). Students will learn to add more detail to Veterans Day, Christmas music, and exercises in the Essential Elements book on page 16. Vocabulary: moderato, allegretto, rallentando Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 15 and 16.	Music Standards: 2,5,6,7 Related Standards: Math 6.3 Objective: <i>Review everything from the previous week on Monday -</i>Students will review exercises on page14 of Essential Elements. Students will learn three four time as well as the three four conducting pattern and related exercise on page 15 of Essential Elements. Vocabulary: moderato, andante, three four time, accent Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 14 an 15.
-----------------------	--	--	--

Week 13	Music Standards: 2,5,6,7 Related Standards: Math 8.3 Objective: <i>Review every thing from the previous week</i> - Students will review: F, Bb, Eb and complex rhythms in compound meter (pg 12 in Essential Elements Book 3). Students will Learn: Em Concert Scale, as well as apply sixteenth note patterns in compound meter (pg 13 in Essential Elements). The main goal this week is to perfect Christmas Music. We will meticulously rehearse every facet of our Christmas performance. Vocabulary: moderato, allegro vivo, allegro Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 13. Rehearse Christmas music, paying close attention to articulation, balance, dynamics, intonation, etc.	Music Standards: 2,5,6,7 Related Standards: Math 7.3 Objective: : <i>Review every thing from the previous week</i> -Students will review sixteenth eighth note patterns in simple meter (pg 15 Essential Elements). Students will learn to add more detail to Christmas music and exercises in the Essential Elements book on page 16.). The main goal this week is to perfect Christmas Music. We will meticulously rehearse every facet of our Christmas performance. Vocabulary: moderato, allegretto, rallentando Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 16. Rehearse Christmas music, paying close attention to articulation, balance, dynamics, intonation, etc.	Music Standards: 2,5,6,7 Related Standards: Math 6.3 Objective: : <i>Review every thing from the previous week</i> -Students will review exercises on page 14 of Essential Elements. Students will learn three four time as well as the three four conducting pattern and related exercise on page 15 of Essential Elements.). The Main goal this week is to perfect Christmas music. We will meticulously rehearse every facet of our Christmas performance. Vocabulary: moderato, andante, three four time, accent Materials: Essential Elements lesson book and sheet music Activity: We will warm up with concert scales with different articulation patterns. We will rehearse related technique exercises in Essential Elements on page 15. Rehearse Christmas music, paying close attention to articulation, balance, dynamics, intonation, etc.
-----------------------	---	---	--

Week 14	Music Standards: 2,5,6,8 Related Standards: Math 8.3 Objective: Students will review pages 14 and 15 in Essential Elements. Students will learn technique exercises on page 16 of Essential Elements. Students will also have the opportunity to take turns conducting Christmas carols at the end of class. Vocabulary: moderato, andante grazioso, allegro, tempo di valse Materials: Essential Elements lesson book and sheet music Activity: Students will warm up with concert scales. Students will rehearse technique exercises in Essential Elements Book Three. Students will review Conducting patterns and then take turns conducting Christmas carols.	Music Standards: 2,5,6,8 Related Standards: Math 7.3 Objective: Students will review page 17 in Essential Elements. Students will learn technique exercises on page 18 of Essential Elements. Students will also have the opportunity to take turns conducting Christmas carols at the end of class. Vocabulary: maestoso, adagio Materials: Essential Elements lesson book and sheet music Activity: Students will warm up with concert scales. Students will rehearse technique exercises in Essential Elements Book Three. Students will review Conducting patterns and then take turns conducting Christmas carols.	Music Standards: 2,5,6,8 Related Standards: Math 6.3 Objective: Students will review pages 16 and 17 in Essential Elements. Students will learn technique exercises on page 18 of Essential Elements. Students will also have the opportunity to take turns conducting Christmas carols at the end of class. Vocabulary: theme, moderato Materials: Essential Elements lesson book and sheet music Activity: Students will warm up with concert scales. Students will rehearse technique exercises in Essential Elements Book Three. Students will review Conducting patterns and then take turns conducting Christmas carols.

Week 15	Music Standards: 2,5,6,7 Related Standards: English 8.3 Objective: Students will prepare for the Christmas concert. The dress rehearsal will be Monday. Students will evaluate their performance on Tuesday by viewing the video tape of the concert and writing a critique of their performance. Wednesday and Thursday Students will learn related exercises on pages 14 and 15 in Essential Elements. Friday, students will play a music vocabulary game. Vocabulary: See attached sheet Materials: Essential Elements lesson book and sheet music Activity: Students will prepare for the Christmas concert with a dress rehearsal at the HS. Tuesday we will discuss our performance and write a critique. Wednesday and Thursday we will rehearse pages 14 and 15 in Essential Elements. On Friday students will test their knowledge of musical terms with an exciting vocabulary game.	Music Standards: 2,5,6,7 Related Standards: English 7.3 Students will prepare for the Christmas concert. The dress rehearsal will be Monday. Students will evaluate their performance on Tuesday by viewing the video tape of the concert and writing a critique of their performance. Wednesday and Thursday Students will learn related exercises on page 17 in Essential Elements. Friday, students will play a music vocabulary game. Vocabulary: See attached sheet Materials: Essential Elements lesson book and sheet music Activity: Students will prepare for the Christmas concert with a dress rehearsal at the HS. Tuesday we will discuss our performance and write a critique. Wednesday and Thursday we will rehearse page 17 in Essential Elements. On Friday students will test their knowledge of musical terms with an exciting vocabulary game.	Music Standards: 2,5,6,7 Related Standards: English 8.3 Students will prepare for the Christmas concert. The dress rehearsal will be Monday. Students will evaluate their performance on Tuesday by viewing the video tape of the concert and writing a critique of their performance. Wednesday and Thursday Students will learn related exercises on pages 16 and 17 in Essential Elements. Friday, students will play a music vocabulary game. Vocabulary: See attached sheet Materials: Essential Elements lesson book and sheet music Activity: Students will prepare for the Christmas concert with a dress rehearsal at the HS. Tuesday we will discuss our performance and write a critique. Wednesday and Thursday we will rehearse pages 16 and 17 in Essential Elements. On Friday students will test their knowledge of musical terms with an exciting vocabulary game.

Week 16	Music Standards: 2,5,6,7,8 Related Standards: English 8.3 Objective: Students will review page 22 in Essential elements lesson book. Students will Learn the Db major scale related exercises on page 23 of Essential Elements. Students will continue to rehearse band literature. Students will continue Hymn song. Vocabulary: Andante espressivo, maestoso, Moderato, five four times signature Materials: Essential Elements lesson book and sheet music Activity: Students will warm up with exercises on page 22 in Essential Elements. Student will learn the Db concert scale and five four time signature exercises on page 23 of Essential Elements. We will start Hymn Song and rehearse other band literature as needed.	Music Standards: 2,5,6,7 Related Standards: English 7.3 Objective: Students will warm up with #88 and #89 and review page 20 in Essential Elements. Students will learn technique exercises on page 21 in Essential Elements. Students will rehearse band literature. Vocabulary: Moderato, March Tempo Essential Elements lesson book and sheet music Materials: Essential Elements lesson book and sheet music Activity: Students will warm up with and review exercises in Essential Elements. Student will learn new technique exercises on page 20 in Essential Elements and rehearse band literature as needed.	Music Standards: 2,5,6,7 Related Standards: English 6.3 Objective: Students will review page 20 in Essential elements lesson book. Students will Learn the technique exercises on page 21 of Essential Elements. Students will continue to rehearse band literature. Vocabulary: Allegro, natural, Materials: Essential Elements lesson book and sheet music Activity: Students will warm up with exercises on page 20 in Essential Elements. Technique exercises on page 21 of Essential Elements.

Week 17	Music Standards: 2,5,6,8 Related Standards: Math 8.3 Objective: Review technique exercises on page 14 and learn concert f minor with related exercises on page 17 in Essential Elements. Students will also work on Band literature. Vocabulary: allegro agitato, andante Materials: Essential Elements lesson book and sheet music Activity: We will warm-up with concert FM and EbM scales then review page 14 in Essential Elements. Next students will learn the natural and harmonic forms of the f minor scale. Next students will rehearse band literature.	Music Standards: 2,5,6,8 Related Standards: Math 7.3 Objective: Students will review “Daily warm-up” exercises on page 18 in essential elements. Students will learn technique exercises on page 19 in essential elements. Students will also work on Band literature. Vocabulary: Moderato, Maestoso Materials: Essential Elements lesson book and sheet music Activity: Students will warm-up with concert daily warm-ups and review page 18 in Essential Elements. Next, students will learn technique exercises on page 19 of Essential Elements. Then students will rehearse band literature.	Music Standards: 2,5,6,8 Related Standards: Math 6.3 Objective: Students will review “Daily warm-up” exercises on page 18 in essential elements. Students will learn technique exercises on page 19 in essential elements. Students will also work on Band literature. Vocabulary: Moderato, allegro, andante Materials: Essential Elements lesson book and sheet music Activity: Students will warm-up with concert daily warm-ups and review page 18 in Essential Elements. Next, students will learn technique exercises on page 19 of Essential Elements. Then students will rehearse band literature.

Week 18	Music Standards: 2,5,6,8 Related Standards: Math 8.3 Objective: Students will review page 17 in Essential elements lesson book. Students will learn the Db major scale and related exercises on page 22 of Essential Elements. Students will continue to rehearse band literature. Students will start Hymn song. Vocabulary: Andante Essential Elements lesson book and sheet music Activity: Students will warm up with exercises on page 17 in Essential Elements. Student will learn the Db concert scale on page 22 of Essential Elements. We will start Hymn Song and rehearse other band literature as needed.	Music Standards: 2,5,6,8 Related Standards: Math 7.3 Objective: Students will warm up with #159 and #161 and review page 20 in Essential Elements. Students will learn six eight time and related technique exercises on page 21 in Essential Elements. Students will rehearse band literature. Vocabulary: Andante, Moderato, Allegro Materials: Essential Elements lesson book and sheet music Activity: Students will warm up with and review exercises in Essential Elements. Student will learn new technique exercises on page 21 in Essential Elements and rehearse band literature as needed.	Music Standards: 2,5,6,8 Related Standards: Math 6.3 Objective: Students will review exercises on page 20 in Essential Elements and learn new technique exercises on page 21. Students will rehearse band literature. Vocabulary: Natural, Allegro, Materials: Essential Elements lesson book and sheet music Activity: Students will warm up and review exercises on page 20 in Essential Elements and learn new technique exercises on page 21. Students will rehearse band literature.
-----------------------	--	---	---

Week 19	Music Standards: 2,5,6,7,8 Related Standards: English 8.3 Objective: Students will review page 22 in Essential Elements lesson book. Students will Learn the Db major scale related exercises on page 23 of Essential Elements. Students will continue to rehearse band literature. Students will continue Hymn song. Vocabulary: Andante espressivo, maestoso, Moderato, five four times signature Materials: Essential Elements lesson book and sheet music Activity: Students will warm up with exercises on page 22 in Essential Elements. Student will learn the Db concert scale and five four time signature exercises on page 23 of Essential Elements. We will start Hymn Song and rehearse other band literature as needed.
