Metaphysical Misunderstandings

Recorded August 27, 20,22

New definitions of limiting and outdated metaphysical ideas

What are the Akashic Records? What is reincarnation? What is a Walk?-in? Is there another person in your body when you channel them? In The Gray Zone, Bashar These outdated metaphysical concepts will be addressed. He will address the common misunderstandings between different factions on Earth as well as the transition we are going through in expanding consciousness and spirituality. In The Gray Zone, Bashar We will discuss new definitions of limiting and outdated metaphysical ideas we may have outgrown. We can also use this information as a guide to making better choices about which realities we wish to experience, as we move into open contact.
