

# Terms of Service

## 1. Description of the Service

This Discord app/bot provides information about the Roblox game "Pet Story 2" through commands (e.g., pets list, game-related data). It also offers optional community leaderboards.

## 2. Acceptance of Terms

By using this app/bot, you agree to these Terms of Service as well as Discord's Terms of Service.

## 3. Acceptable Use

You agree not to:

- misuse or abuse the app/bot
- attempt to exploit bugs or vulnerabilities
- use the app/bot in violation of Discord's rules

## 4. Community Features

Some features, such as community leaderboards, are optional. Users voluntarily choose to participate in these features.

## 5. Fair Use & Restrictions

The developer does not block access to the app/bot itself. However, access to certain features (such as submitting game stats to leaderboards) may be restricted in case of abuse.

## 6. Disclaimer

The app/bot is provided "as is" without warranties of any kind. The developer is not responsible for any damages or issues resulting from the use of the app.

## 7. Changes to the Service

The app/bot and these terms may be modified at any time without prior notice.
