

Community Service Question

- 1. Please choose one question and answer to the best of your ability.**
- 2. Responses should be typed, 12 point font, double-spaced, and one full page in length.**
- 3. Be sure to proofread for clarity and grammar.**

Question #1- Describe the benefits of community service from the volunteer perspective. Talk about your experiences while supporting your community and what you have learned.

Question #2- What type of club wide initiative would you want to complete to benefit our community? Think of a service experience or activity that we could complete as a club that would include most members.
