

## Grade 8 Grad Refreshment Donations

Keele St. P.S. grade 8 graduation is an incredibly special night where families gather to celebrate the hard work and growth of the grade eight students as they prepare to move on to high school. This year it is being hosted on the evening of Wed June 26th in the early evening in the gym.

To make the celebration special, we'd like to offer light refreshments. We are looking for donations from our Keele families that are **nut-free** and **bite-size, finger foods** (nothing that needs plates or cutlery). Also, everything will be served at room temperature.

Your donations are greatly appreciated. Thank you for making this an extra special night for our wonderful grade 8 students!

**Please drop off donations to the school on Wednesday, June 26th by 2pm in the office.**

Please email any questions to [keeleadvisorycouncil@gmail.com](mailto:keeleadvisorycouncil@gmail.com)

**Below are the items we are looking for. Please sign up if you are able to contribute an item(s).**

| Items Needed                    | Name                  | Email                                                                            | Item Description (optional)    |
|---------------------------------|-----------------------|----------------------------------------------------------------------------------|--------------------------------|
| Veggie platter & dip            | Naama Cooperman       | namsee@gmail.com                                                                 |                                |
| Veggie platter & dip            | Leslie Deschamp       | ldeschamp@rogers.com                                                             |                                |
| Fruit platter                   | Sue Kostandoff        | suekostandoff@gmail.com                                                          |                                |
