

Event Affiliate Link

(What to paste into your promotions)

The **STANDARD** link for our event is:

<https://www.schooloflifemastery.com/rare-faith-virtual-conference-2026>

Paste it wherever you see {YOUR_LINK} - UNLESS you want to use an affiliate link.
Always delete the braces {}.

Using an **AFFILIATE** link to promote our event is **OPTIONAL**:

The purpose of the Rare Faith Virtual Conference is to serve and grow our community. It is also a lead generation opportunity for yourself, where you can offer a freebie and grow your own contact list.

That said, some of our participants may go on to purchase something from us afterwards. If you would like to potentially earn 20% commissions on those sales from people you invite to the conference, follow the directions below to get your own affiliate link to use in your promotions:

- **Affiliate Signup:**

By using an affiliate link, you understand that tracked sales are not guaranteed. Link tracking can fail if people clear their cache / cookies, or use a different device to make a purchase. Credit is automatically assigned to the last referrer, and cookies expire after 90 days.

- **Affiliate Login:**

The Rare Faith Virtual Conference Affiliate Links are found on that page, and will look like these, where **your unique 8-character identifier** is at the end:

- **Rare Faith Virtual Conference Facebook Event 2026**
