NCHS 3.2 – Analyzing Multiple Perspectives
Immigration Case Studies

As you read your case study, complete the Score 2.0 chart on the components of perspective.

Motives	Beliefs	Interests	Hopes	Fears

Score 3.0 Questions – Choose 1 to answer

1. How and why do perspectives on a historical event compare? You can also use Race, Class, and Gender for this.
2. How do these POVs help us understand this event? What insight does it give us?
3. Which constructor of perspective was a more powerful motivator for immigration? What does this say about human action and choice in this historical example?
