	ESSR money was used to help make it a full-time position. - Now the financial situation in our state and district is tightening up, and this year is the first year in a while that the district and sites have to make cuts. - Decreasing School Community Coordinator position from full-time to part time 0.6 position. LCFF Supplemental Funds are focused on ELs, Newcomer, AVID, Socio-economically disadvantaged students, Math and ELA support. - Site proposal: To increase ELL/Newcomer RTI position from the 0.4 that is freed up. *1 period of ELD RTI in both semesters. Extra support for our EL and newcomers in the classroom. <i>*The Local Control Funding Formula (LCFF) is a law in California that allocates state funds to school districts based on the needs of their students.</i>
