

Never Argue with a Woman

One afternoon, the husband returns the boat to their lakeside cottage after several hours of fishing and decides to take a nap.

Although not familiar with the lake, the wife decides to take the boat out. She motors out a short distance, anchors, puts her feet up, and begins to read her book. The peace and solitude are magnificent.

Along comes a Fish and Game

**Warden in his boat.
He pulls up alongside the woman and
says, 'Good Afternoon, Ma'am..
What are you doing?'**

**'Reading a book,' she replies,
(thinking, 'Isn't that obvious?')**

**'You're in a Restricted Fishing Area,'
he informs her.**

**'I'm sorry, officer, but I'm not fishing.
I'm reading.'**

**'Yes, but I see you have all the
equipment.
For all I know you could start at any
moment.'**

I'll have to take you in and write you up.'

'If you do that, I'll have to charge you with sexual assault,' says the woman.

'But I haven't even touched you,' says the Game Warden.

**'That's true, but you have all the equipment..
For all I know you could start at any moment.'**

'Have a nice day ma'am,' and he left.

MORAL:

Never argue with a woman who reads.
It's likely she can also think.

Send this to four women who are thinkers
or men who can take it ...

If you receive this, you know you're
intelligent.
