Goals are as follows:

1. Students at Plymouth Regional High School will strive for personal growth by increasing the percentage of students scoring proficient on the SAT in English, Math and Science by 3% from the baseline of the previous year.
2. Students in Grades 9 and 10 at Plymouth Regional High School will strive to take ownership of their learning and behavior by maintaining a failure rate of less than 15% of students who fail one or more classes.
3. Limit the core budget increase to 3% annually.

PEMI BAKER REGIONAL SCHOOL BOARD AGENDA

4. Maintain a drop out rate of less than 1% annually.
5. Maintain communication with parent and district residents and expand communication with sending schools
