The Seal of Biliteracy is an award to graduating seniors who demonstrate proficiency in English and a partner language. On Tuesday, October 1st there will be an informational meeting during FLEX to explain how you can obtain the Seal of Biliteracy. This opportunity is for seniors, but interested underclassmen are welcome to come and learn more about the program. If you have any questions please contact Prof Hech at khechenbleikner@stonehamschools.org

There is a Model United Nations Club opening in Mr. Pohorilak's room where students will practice debating for conferences. For everyone that is interested, please sign up for this Monday's FLEX for the first ever meeting.

We're excited to invite Professor Liu from Northeastern Univ to give an interesting talk titled "**Optical Metamaterials: from Negative Refraction to Invisibility Cloaks**". Dr. Liu is one of the outstanding research experts in the fields of materials and engineering, especially nano optics, metamaterials and applied physics. Please join this session if you're interested.

Date: October 1st, 2024 (Tuesday)

Time: Flex (1:55 ~2:50)

Where: Room 234

Our students have opportunities to ask questions (~15 min).

Guidance News

On October 1st, Curry College will host the annual 'Navigating the College Search for Students With Learning Differences' Workshop on campus from 6:00-7:30pm.

By attending 'Navigating the College Search,' students and families will receive critical information to support their college search process as they pursue institutions with the proper academic support to help them succeed. Although our faculty and staff are excited to highlight some key offerings of [Curry's Program for Advancement of Learning \(PAL\)](#), the workshop aims to support student's college search process as a whole - not only their consideration of Curry College.

Students may register for the workshop [here](#).

Driving / Drop Off / Walking:

Visible personnel in Yellow Construction Vests as well as officers from the Stoneham Police Department will be present to direct vehicles for parking and student drop off. A digital display will also be visible as you drive up the driveway to communicate driving / parking instructions as described below.

- **Student Parking:** All student parking is in the lower lot. Parking attendants will direct students to spaces
- **Drop Off:** Drop off route is along the lower parking lot as in the past year and then coming back up towards the school. Student drop off may occur at any spot along the walkway on your right.
- **Bikes / EV bikes / scooters:** Rules of the road apply, pedestrians have right of way on walkways. Do not ride on any landscaped areas
- **Walking:** Stay on identified cement walkways. Grass and other landscaped areas are roped off.

As always please utilize patience, caution and awareness, follow posted signage and do not exceed driving speeds of 5 - 10 MPH when driving on school grounds.
