3. When We Grow Up
4. Teman
5. Sampai Jumpa!

Credits:

- All songs written by CEROS
- All music arrangements by Hope Music (Hope Channel Indonesia)

WRECKED SHIP (STORY OF PAUL)

He's a man of God but wanted as a prisoner
He agreed to sail though may choose to disappear
But the strong wind and the big storms are onto their call
And the captain lost his control the ship hit the rock and start to fall

Bridge:
It's broken down and all are feared
At time he stood and shouted:
"Stay strong, as no one will lose lives here!"

Reff:
When everything you hold had went away
You fight to live and hopes are gone
Cry and scream but keep on sinking
Seems your prayers are not helping
The only way to survive is surrender
Give it all to God and let Him decide
Faith finally comes from the wrecked ship

From held a sword to be a solid faithful guard of God
Facing judges in one and another court
When try to guilty him, he's calm and strong like a rhinos
Though he knew it may come his time of difficult and woes

Bridge:
It's a magic words had said the king
In which he is replying,
"I almost be Christian caused of you!"

Reff:
When everything you hold had went away
You fight to live and hopes are gone
Cry and scream but keep on sinking
Seems your prayers are not helping
The only way to survive is surrender
Give it all to God and let Him decide

Reff
Faith finally comes from the wrecked ship
Faith finally comes from the wrecked ship

SETIA, SEDIA

Memanggil dari Nemperola
Terdengar hingga ke Galela
Telah berlayar dari Melingge
Seminggu tiba di Dumande

Berkemah di pinus Soputan
Indah mangata di Beratan
Sejuk dan dinginnya di Kota Mulia
Hangatnya di Palangkaraya

Reff:

Kita kan selalu setia, kita kan selalu sedia
Anak-anak Tuhan yang telah menanti
Perintah Agung dariNya
Bawalah kabar gembira, bersama kita seberangi
Di ujung sana ada senyum yang menanti
Kasih dan t'rang bagi sesama

Kirana mentari Baluran
Di Mutis berkumpulnya awan
Ingin menjejaki Gunung Binaiya
Tak lupa juga Bukit Raya

Reff:

Kita kan selalu setia, kita kan selalu sedia
Anak-anak Tuhan yang telah menanti
Perintah Agung dariNya
Bawalah kabar gembira, bersama kita seberangi
Di ujung sana ada senyum yang menanti
Kasih dan t'rang bagi sesama

WHEN WE GROW UP

Now we are here, we're busy taking pics
Post it to our feed and hoped for thumbs of likes
Someday things won't be the same
Instagram may be too obsolete
Some things we know
Some things to keep

Reff:

When we grow up I want us to stay in our faith
You'll be living far from us
You'll be standing by your side
What's most matter that we keep remember
From where we are and what we trust
Someday when we grow up

Someday you'll be more famous than Atta
Your voice can be sweeter than Ariana
But please keep the root with you
Since glamor and beauty won't save you
Some things we know
Some things to keep

Reff till end

TEMAN

Teman yang sejati dan setia
Membu-at damai dan bahagia
Cipta kenangan waktu belia
Tuk diingat di saat renta
Seperti mentari jelang pagi
Kelamnya malam pun terganti
Membawa semangat dan harapan
Indahnya persahabatan

Di saat senang saling berbagi
Tatkala sedih pun nikmati
Tak tinggalkan kau sendiri
Menanggung derita di hati
Di sampingmu saat kau dirundung
Menghapuskan awan mendung
Membagi senyuman dan impian
Tulusnya persahabatan

Bridge
Ku perlu engkau selalu
Seperti saudaraku
Mari kita melangkah
Mem-bu-at dunia bahagia

Reff:
Seperti mentari jelang pagi
Kelamnya malam pun terganti
Membawa semangat dan harapan
Indahnya persahabatan
Membagi senyuman dan impian
Tulusnya persahabatan

SAMPAI JUMPA!

Waktu terasa abadi
Memendam rindu tuk kembali
Penat menghalau lakuna dalam hati
Dan kini tlah bersama, derau terhempaskan
Terganti renjana bersua

Reff:
Sampai jumpa, kan bertemu lagi
Bawa kenangan yang indah
Sebuah cerita yang tak terlupa
Akan selalu di hati...

Saujana semu berpisah
Kembali hampa dan hilang makna
Kala akan kembali mempertemukan
Ingat bahwa kita bukan semenjana
Juaramu di masa depan!

Reff:
Sampai jumpa, kan bertemu lagi
Bawa kenangan yang indah
Sebuah cerita yang tak terlupa
Akan selalu di hati
Tahun kan cepat berganti lagi
Takkan lama bertaut hari
Mungkin tidak sama s'perti kini
Simpan eunoia* hingga nanti

Sampai jumpa, kan bertemu lagi
Bawa kenangan yang indah
Sebuah cerita yang tak terlupa
Akan selalu di hati
Tahun kan cepat berganti lagi
Takkan lama bertaut hari
Mungkin tidak sama s'perti kini
Simpan eunoia* hingga nanti

Waktu terasa abadi
Saujanah semu berpisah lagi
