Effective Date: July 21, 2025

## 1. Introduction

Welcome to GPT Transcriber, a ChatGPT browser extension for speech-to-text. By installing or using this extension, you agree to these Terms of Service.

## 2. User Responsibilities

You are responsible for all activities conducted through your use of GPT Transcriber. You should maintain the security of your own data and promptly report any unauthorized access or security breaches to [democraticdeveloper@gmail.com](mailto:democraticdeveloper@gmail.com).

## 3. Privacy Policy

Your use of GPT Transcriber is also governed by our Privacy Policy, which explains how we collect, use, and protect your information. Please review the [Privacy Policy](#) before using the extension. We will not share your data with third parties except as described in that policy.

## 4. Intellectual Property

All intellectual property rights in GPT Transcriber and its content are owned by the developer. These works are protected by copyright and other applicable laws. All rights are reserved.

## 5. Rate Limiting Acknowledgement

Due to the way GPT Transcriber processes audio—splitting input into chunks and submitting each to ChatGPT—you may encounter rate limiting by ChatGPT. This limitation is imposed by OpenAI and may temporarily prevent further requests for up to a hour.

## 6. Termination

We reserve the right to suspend or terminate your access to the extension at any time, without notice, if you violate these Terms of Service.

## 7. Governing Law

These Terms are governed by the laws of the State of New York, without regard to its conflict of law provisions.
