- ✓ Using the newspaper, find a comic strip that relates to Science
- ✓ Neatly cut out the entire comic strip and attach it to a piece of loose leaf paper.
- ✓ On the loose leaf paper, explain the meaning of the comic
- ✓ You may type your work or complete your work by hand

Provide this information along with your science-related comic:

- Put your name at the top of the paper
- Write one 5-7 sentence paragraph
 - State what scientific concept was mentioned in the article
 - Provide a short explanation of the topic.
 - You may have to use reference materials, such as an encyclopedia, to help you write this paragraph.

The number of points you will earn depends on:

- Providing a copy of the comic you found
- Quality of your paragraph explanation
- Correct spelling and grammar
- Neatness of the work
