

THIS IS A PIECE OF FREE VALUE TO A DOG TRAINER.

I'VE NOTICED THAT THEY NEED TO GRAB MORE ATTENTION,

AND ONE IDEA I GAVE HIM AS FREE VALUE WAS DIFFERENT YOUTUBE VIDEO TITLES
THAT OTHER YOUTUBERS ARE USING TO GET VIEWS

BELOW IS MY OUTREACH AND THE FREE VALUE

LET THE COMMENTS BEGIN G'S. 😊

OUTREACH:

Hello, how are you doing, Bill?

It's incredible to see just how fast you and your team of pro dog trainers take super hyperactive dogs and transform them into calm and obedient dogs.

Which many dog owners worldwide are trying to learn those same tactics to use on their own dogs.

That's why I've taken the liberty to give you 5 Youtube title ideas for your next Youtube videos as a gift.

These titles will answer many questions that dog owners may have with their own dogs and click on your videos to find out the answers to their daily frustrations.

Test it out and if it is of interest to you, you can email me back to further talk about getting you even more ideas to get you results,

If not, no problem, I'll carry on my way.

Deal?

Talk soon,

Enrique Lopez.
