

Foundation and International Committee

Report for Club Assembly

Date – 5th June 2025

The Club is aware that income for the year will be severely restricted with the loss of our participation in the British Grand Prix.

Accordingly, all Committees will need to be realistic in proposed expenditure and to work within smaller budgets.

Our preliminary Proposal for the year is detailed below;

Foundation – this will be met in full based on the number of members and equivalent to \$100 per member.

End Polio Now - this will be met in full based on the number of members and equivalent to \$50 per member

Shelterbox – continued donation equivalent for 2 Shelterboxes @£600 each.

Marys Meals – continued donation with some possible additional fundraising such as a repeat of our frugal meal.

Water Project - as yet undecided but maybe a continued involvement with Northampton Becket in their Malawi project

International Project – further participation with Becket in their Malawi Project

Ukraine – following the success of last years project, some additional support for further aid to Ukraine given that the situation is unlikely to improve in the near future.

Contingency – depending on financial resources and expenditure during the year.
