

PRIVACY POLICY

Effective Date: June 2026

Who We Are ThirdRing is a missed call capture service operated by The Third Ring LLC, based in Ohio. We provide automated call answering and SMS notification services to contractor businesses.

Information We Collect We collect information provided by callers to our clients' forwarded phone lines, including names, phone numbers, and brief descriptions of requested services. We also collect contact information from businesses that sign up for our service.

How We Use Information Caller information is collected solely for the purpose of notifying our contractor clients of missed calls. We do not sell, share, or distribute caller information to any third party. Business contact information is used only to provide and manage your ThirdRing subscription.

SMS Notifications ThirdRing sends automated SMS notifications to contractor clients who have subscribed to our service and consented to receive text messages as part of their subscription agreement. Message frequency varies based on call volume. Message and data rates may apply. Reply STOP to unsubscribe.

Data Retention Call and message data is retained for up to 90 days and then deleted.

Third Party Services ThirdRing uses Twilio for SMS delivery and telephony services. Twilio's privacy policy governs their handling of data.
