

Smart Snake Arrows Privacy Policy

Last Updated: May 20, 2026

1. Data Collection

Smart Snake Arrows does not require account registration and does not collect personal identity data such as name, phone number, email address, contacts, photos, or precise location.

2. Local Device Data

The game stores progress and preferences locally on your device, including:

- unlocked levels
- stars and run records
- daily reward streaks and win streaks
- audio, haptics, and theme preferences
- accessibility preferences such as reduce motion and color assist

3. Analytics and Advertising

This build does not include third-party advertising SDKs, behavioral tracking, or remote analytics telemetry.

4. Children and Sensitive Data

The game is designed as a puzzle experience and does not request health, financial, biometric, or other sensitive personal information.

5. Data Deletion and Control

You can reset local game progress at any time from Settings > Reset Progress. This clears local progress and records on the device.

6. Network Usage

Core gameplay works offline. No remote user profile is required for normal play in this build.

7. Policy Updates

If online services are introduced in a future release, this policy will be updated before launch.
