

## MHS CLUBS & ENRICHMENTS

**2025-2026**

### **MHS Book Club**

#### **Tortured Readers Department: A Diversity Focused Book Club**

A book club that celebrates and discusses diverse novels to facilitate deeper conversations surrounding marginalized voices throughout our school. Everyone is welcome! Snacks are always provided. We provide students with the selected book if needed.

There are two types of meetings:

1. Discussion meetings: formal meetings where we discuss the month's read and provide updates on any logistical information.
2. Read-together meetings: more informal meetings where we read our selected book together and enjoy snacks. If you have already finished the book, you are still welcome to come and read any other books you may have!
