Welcome to the ’14-’15 School Year!

August 11, 2014

Dear Parents, Guardians and Students,

Greetings from your homeroom teachers at Prairie Creek Intermediate School! We hope your summer has been just long enough to enjoy all the free time, but we also hope you’re getting just a little bored. We’re ready for you to come back so we can catch up on what everyone has been doing the past couple of months. Here is just a bit about us and what we did.

I’m Mrs. Manternach and will begin my eighteenth year of teaching in the College Community School District. This summer we spent time at the Mississippi River in my parents’ new boat and at their camper. We also saw Miranda Lambert and Luke Bryan at the Jones County Fair, sold sweet corn, and went to Adventureland again this season. A new summer favorite for my family was getting to fish our pond. None of the fish are keepers yet, but they are still fun to catch and release!

I am Miss Danielsen and will begin my 2nd exciting year of teaching in the College Community School District. I kept pretty busy attending weddings, visiting Wisconsin Dells and playing softball. I also started a class, Introduction to Graduate Study and Research and attended multiple conferences. I had fun learning how to ride a horse and also listening to the women of Duck Dynasty! I also was very excited to grow my very own cucumbers and tomatoes!

Please know that entrusting us with your child for a second year continues to be a privilege and an honor. We look forward to pinpointing what works best for every individual to guarantee academic and social success. Any input you might have is always welcome because there’s nothing more motivational than feeling successful. Together we’ll find ***SUCCESS FOR ALL***. You can reach us at kdanielsen@prairiepride.org, nmanternach@prairiepride.org or 848-5310. See you soon!

Sincerely,
Mrs. Manternach and Miss Danielsen
