Subject(s): Sociology

Standards & Skills:

Career Cluster(s): Agriculture, Food, & Natural Resources, Business, Management, and Administration, Government & Public Administration

What is needed to be considered or defined in order for your students to create a solution for your RWPS?: What is the role of a Township Trustee and how do they fund and maintain initiatives for their elected township.

Real World Problem Scenario: Caring For The Local Township

Looking at the role of a Township Trustee choose a problem in the community that a trustee would be asked to address.

- Lights at local community baseball fields

- cleaning community pond and bringing back wildlife

- safety and maintenance of roads
