We do have a limited number of slots and I know many of you have responded to our first inquiry but please respond again with your intention. The ages allowed for this camp are 8-18. If your student has graduated from high school, he/she is too old to participate in this camp. Please respond ASAP with your child(ren) full name (1st and last name) and age. I will then send you a waiver. Please contact me directly if your child would like to participate and the cost is an issue. We do not want any of our youth to miss out on this amazing opportunity.”
