

Security Research

Find one news article from the last 6 months that discusses a security breach or major virus...Briefly summarize below:

--

Find 2 anti-virus software utilities online...document the info below:

Company/Software Name Website URL	Software Features Subscription Length (Month/Year/Lifetime) Cost

<https://www.plattsburgh.edu/academics/resources/technology/policies/index.html>

Discuss the computing policy in the link above:

Find another computing policy online (maybe a college you wish to attend), and describe it:

Based on the above findings, write a basic computer/network usage policy for a small office environment. (5 employees) Be specific as to what they can/can not do:
(Feel free to copy/paste but modify for your particular needs)

A large, empty rectangular box with a light gray fill and a black border, intended for writing a computer/network usage policy.
