Privacy Policy

This Privacy Policy describes how **Alarm** collects, uses, and shares information when you use our Alarm application on the Meta Quest Store.

Information We Collect

- **No Personal Information:** The App does not collect any personally identifiable information from its users. This includes, but is not limited to:
    - Names
    - Addresses
    - Email addresses
    - Device identifiers
    - Usage data
- **Anonymous Usage Data:** We may collect anonymous usage data to improve the App's performance and user experience. This data is aggregated and cannot be used to identify individual users.

How We Use Information

- We use anonymous usage data to:
    - Analyze App performance
    - Identify and fix bugs
    - Improve the user interface and functionality

Sharing of Information

- We do not share any personal information with third parties.
- We may share aggregated, anonymous usage data with third-party analytics providers to help us improve the App.

Data Security

- We take reasonable measures to protect the anonymous usage data we collect.
- Because we don't collect personal information, there is minimal risk of data breach.

Children's Privacy

- This application is intended for a general audience and does not knowingly collect personal information from children.

Changes to This Privacy Policy

- We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.
-

- You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
