

2017 PreCollege/Summer Programs

EarthCare sponsored by Georgia Power and 21st Century Leaders is for the adventure seekers, students interested in environmental, engineering, or STEM field, or those who want to challenge themselves and their leadership skills. Sponsored by Georgia Power, EarthCare exposes you to various environmental and leadership challenges through interactive workshops, tours, and round-table sessions with Georgia Power business leaders. You'll be challenged throughout the week with team-building exercises on a rigorous high-ropes course, diversity workshops, and networking sessions. To apply, please visit
