Excess funds split between coaches for future use. 2025 proposed budget needs to be voted on. Looks similar to last year, possible secondary fundraiser if necessary over car wash. Only new is boy's preseason tournament is projecting to bring in more money than last year. Business operations has an increased budget for next year, looking into QuickBooks Online to be used for bookkeeping. Right now, it is in Google Sheets, looking to have a more professional checks/balances system. Three past line items have been combined into one line item-Program. Exec Board has agreed to split between boys' and girls' programs 60% (boys), 40% (girls). Profit from boys' preseason tournament are going directly to the boy's program. Expenditures for boy's tournament that benefit both programs (goals, flags, nets, etc.) would come out of that profit. Motion to approve-Michelle Enrique 1st, Ben Cook 2nd. Everyone in favor, no oppositions.
 - e) Secretary (Erin Leunberger)-still looking for replacement-any nomination for anyone not present??
- 5) Coaches Reports
 - a) Boys Coach (Jonathan Zahn)-Player parent meeting next Wednesday (1/22) 6:30 At Hoover Hall. Looking at taking all teams to New Albany Tournament this summer, tbd at next week's meeting based on RSVPs for availability. Began conversations about group rate to the Columbus Crew game that Saturday evening of tournament, which will also be on next week's availability survey. Curious on opinions on Boys' Alumni Game-idea of Meet the Team/Alumni Game on the same date due to scheduling conflicts? Early Saturday in July or Sunday after the Car Wash as alternate dates? Girls' team would be okay with after Meet the Team.
