Principal Huettl's Report

Four snow days pushes us to e-learning -> reconsidering e-learning from on iPad to a choice board. Feedback provided to Principal Heuttl is to consider moving forward with choice boards. Planning underway for kindness day benefiting the animal humane society, children's hospital & family wise, autism society, southview acres, meals on wheels.. Sign-up genius should be ready by this coming Friday for donations. Preliminary results for winter testing are looking good, much more at grade level than in the fall. K registration is coming this Thursday!

Budget Report

Nothing major to report. Heads up Somerset Social is coming up at the end of March, last year netted ~16,000.

Next Meeting

Next meeting February 21, 2023 - Would like to move to in person
