

Biotechnology and Biomanufacturing - LOI

Proposal Title

Lead PI name, department, and email address
(lead PI will be in charge of correspondence with OVPR)

Co-PI(s) and/or key collaborator(s) name, department, and email address

List of five keywords

List of 2-3 Potential UMN Faculty reviewers with name, department,
email address, and area of expertise.*

Total Funding Request \$ _____

Project Description (200 words or less)

**Recommended reviewers should be faculty who would not have a conflict of interest with the PI or key collaborators. Being from the same department is not necessarily a conflict, but it should not be someone who has published with the PI or collaborators in the last five years, a close friend, or former student or advisor.*
