

Bay View Truck & Auto Service Scholarship Application Criteria \$300

Whether you travel by truck or auto, Bayview Truck & Auto Service can get you where you want to go! . The business provides most repair services for domestic autos, trucks and semis, and employs eight full time mechanics. Business owner Matt Peterson is generously supporting our CTE Automotive program with a \$300 Scholarship

The scholarship is awarded to a student who has shown improvement in automotive skills throughout the program, who is involved in school and community activities and who will be continuing his or her education in the fall at a college or trade school to pursue a career as a mechanical technician.

The Scholarships will be based upon the following criteria:

- Graduating senior enrolled in the automotive CTE program your senior year.
- Have had a B or better grade average in your CTE program
- Preference will be given to students who have participated in SkillsUSA or Ford AAA competitions, showed improvement in the automotive program throughout the year, and assisted less experienced students when they need help.
- Your application and essay will be evaluated on class performance, attendance, attitude, involvement in school and community activities, and work experience.

How to Apply:

- Complete the CTE online application
- Along with the application, submit a one page essay that includes why you deserve this scholarship, your student competition (if any) experience, and your activities and accomplishments while you've been in the automotive program.
- Submit application and essay to the CTE Student Services office.

If you apply for a scholarship, it is expected that you will be present at the spring Student Awards Ceremony where scholarships are presented. If selected for the scholarship, a thank you letter to Bayview Truck and Auto Service is required.

Deadline for scholarship application submission is

3:00 p.m. on Friday, March 20th, 2026
