

2026-27 Parent/Guardian Informational Meeting Dates

Prior to an athlete being cleared to participate in athletics at RBHS, a parent/guardian must attend a mandatory informational meeting. This applies to all freshmen (even if they have an older sibling that has played sports at RBHS), transfers and new athletes. **Athletes that were cleared for a sport during the 2025-26 school year are exempt from this meeting requirement.** A parent/guardian need only attend one meeting for the year for multiple sports and/or multiple children.

Reminder, [paperwork to play](#) must also be completed and turned into the RBHS Athletics office prior to an athlete being cleared to participate.
