Click on AYSOU (right below Find Volunteer Roles) Once you log into AYSOU, you can enroll in the referee class.

9. Click on Training Events, search by dates or **Region 624**, or **Regional Referee -Full In-Person Course**, and make sure it's **Region 624 Walnut Class**.

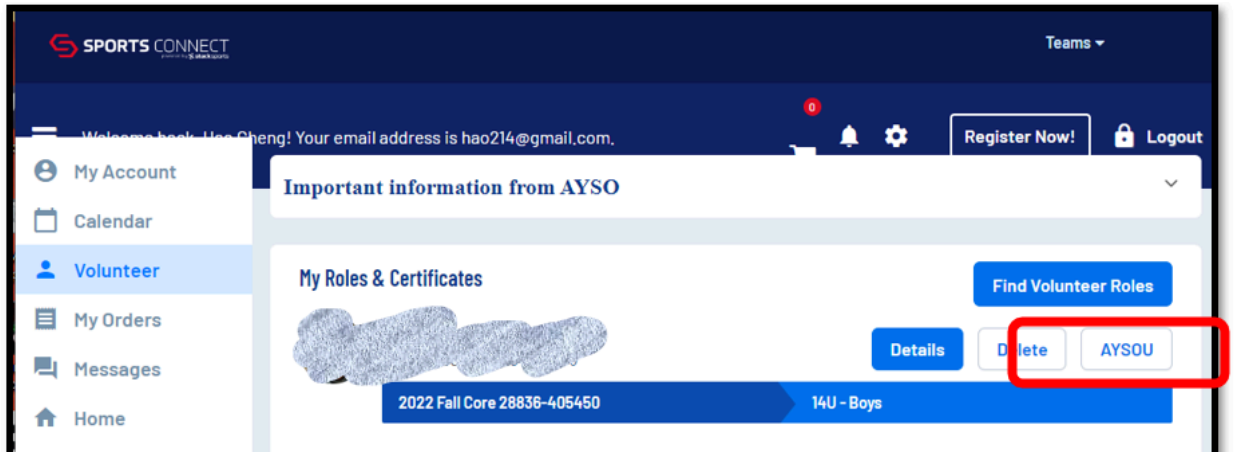

Do not take the on-line **referee** course unless instructed to do so. The on-line course does not certify you. You will need to take an in-person companion course along with the on-line course to be certified. We only allow that when there is no in-person class offered anywhere close.

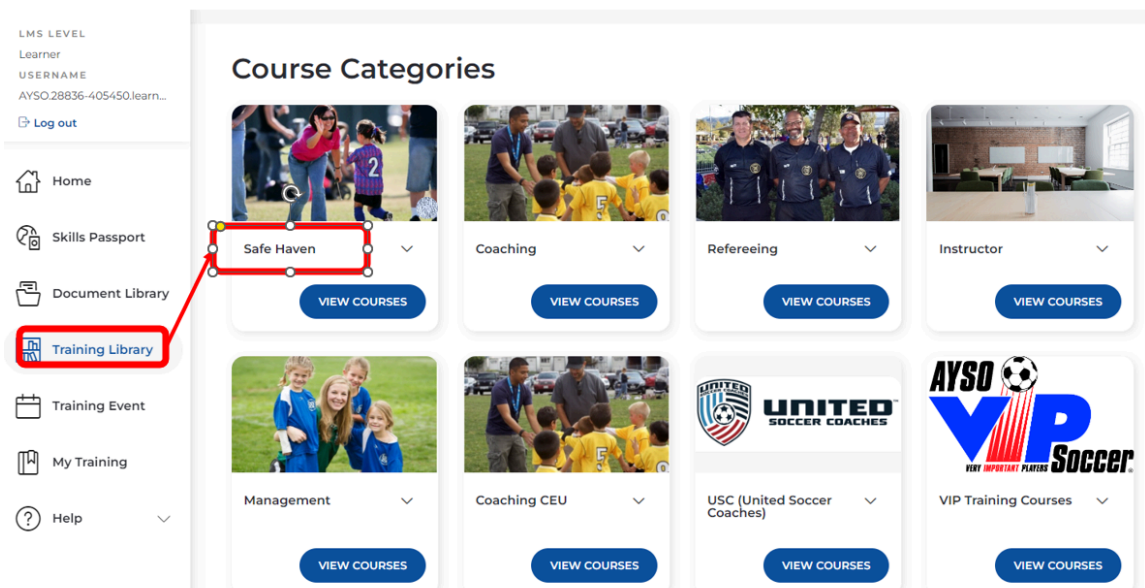

If you are taking U8 Official Course, it is completely on-line. Click on Training Library, then Refereeing, you will find the 8U official course.

The rest are all online classes. They can be done at your leisure and are not prerequisites to taking the in-person class. If you are a Youth Referee, You do not need to take Safe Haven and SafeSport. You still need to take Concussion and Simon's Heart.
