

# How to Join

*Your path from curious to committed — in seven simple steps.*

## 00 Get Curious

Not sure yet? No problem. Join one of our Town Hall meetings and hop into the Telegram chat to meet other curious people and ask questions. You'll find links to both on the front page of our website.

---

## 01 Reach Out to a Camp

Browse the available camps and reach out to one (or several) that resonate with you. Each camp has its own focus, vibe, and way of working together.

---

## 02 Have an Interview

You'll have a conversation with the camp organizer(s) to get to know each other. This is a two-way street — it's as much about finding the right fit for you as it is for them.

---

## 03 Get Accepted

If it's a yes from both sides — welcome! You're officially part of a camp.

---

## 04 Commit & Pay Your Deposit

Secure your spot by paying the deposit. This confirms your commitment and helps the organizers plan ahead.

---

## 05 Join the Discord

Enter the Community Lab Discord server to connect with fellow participants, your camp members, and the wider village community.

---

## 06 Start Planning & Take On Roles

Dive in! Collaborate with your camp to plan the event, take on village roles, and help shape the experience. The magic starts before we even arrive.
