**Christmas in Killeedy... Santa and Mrs clause visit, Christmas market's and turning on of lights at the Eco Park.**

Great fun was had by all Killeedy community on Sunday last for our Camogie fund raiser. A day filled with joy, laughter, community spirit and fun as Santa and Mrs Clause hosted young and older.

The market's were a huge success with a wide variety on display and the event was topped off with the turning on of the Christmas lights in the Eco Park and music, song and poetry in the pub afterwards.

Huge thanks to everyone who made this event a tremendous success and to all the people that attended your support is greatly appreciated.
