

Position Paper

Name:
School:
Country:
Topic:

Directions: Write a four paragraph position paper that uses the following outline. Delete this box with the directions and outline when you have finished writing your position paper.

Introduction:

- Why is this issue important for the global community to address?
- How does this issue affect your country?

National Actions

- What are your country's policies (laws) with respect to the issue?
- What actions has your country taken to address the issue within its borders?
- Optional: Are there any relevant quotes from government officials about this issue?

International Actions

- What actions has your country taken to address the issue in other countries?
- What actions have other countries taken to address the issue within your country?
- How has your country participated in the global community's efforts on this issue?

Recommendations for Action

- What does your country believe should be done to address the issue?
- What does your country recommend for a resolution on the issue?
