

## Knoxdale PS Voluntary School Supplies 2025-2026

### The following items would be essential:

- A lunch container, their own utensils, and water bottle (no glass). For safety reasons, food sharing between students is not permitted. All empty food containers and left-over food will be taken back for home composting and home recycling.
- Running shoes for the class and gymnasium, appropriate for Physical Education activities. Velcro is suggested for younger learners. Safety is our priority: Avoid fancy sandals, flip flops and crocs
- Planning ahead: rubber boots, a rain suit or a hooded raincoat will be needed. Splash pants are essential for younger learners. We spend a lot of time outside, rain or shine.
- Kinder to Grade 2: several changes of clothes in a labelled Ziploc bag - to be kept at school
- A backpack that is big enough to hold a picture book from the library and the lunch box.

All students from Grade 3 to 6 will be provided with a school agenda.

The school will provide supplies to students who are not able to bring their own. We also have backpacks and lunch bags available if needed. Email us at [knoxdaleps@ocdsb.ca](mailto:knoxdaleps@ocdsb.ca) to reserve a backpack for your child.

Kinder	Grade 1 to 3	Grade 4 to 6
	1 pencil case (or resealable bag)	1 pencil case (or resealable bag)
1 package of coloured markers	1 package of coloured markers	1 package of coloured markers

		2 packages of 3-hole lined refill paper
		<b>For grade 4 only:</b> 1 binder 1.5"
		<b>For Grade 5 and 6 only:</b> 6 duo-tangs (preferably different colours)

## Knoxdale PS

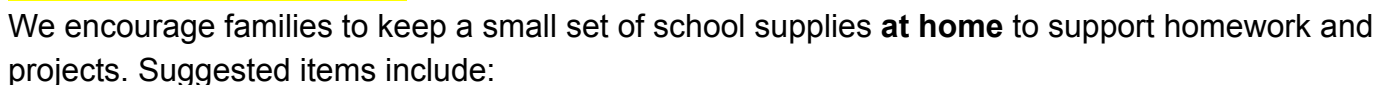

Each September, some of our Knoxdale families ask how they can contribute to our school. We gratefully accept donations of the following items:

- Donations can be sent to your child's homeroom teacher or dropped off at the office. These extra supplies are shared across all 28 classrooms and will be put to great use.

## Knoxdale General Donations

To help us return lost items to their owners, please label your child's pencil case, lunch box, and all clothing sent to school. (No need to label each individual pencil or glue stick.)

[Mabel's Labels Fundraising Page](#) and search for our school name.

- For students in **Grades 4–6**, it is also helpful to have a basic calculator and a protractor for measuring angles.
