Class:

### A. Rearrange the following paragraphs into the correct order text!

#### Derawan Island

The best time to visit this fascinating island is during the months of September and March, when temperatures are much cooler-in the vicinity of 27°C with pleasant sea breezes.

It is located just away from the mainland of East Kalimantan in the district of Berau, the Derawan archipelago comprises 31 islands, most well-known among these are the islands of Derawan, Maratua, Sangalaki and Kakaban. Here is Indonesia's largest nesting site of the rare and endangered giant green turtles and hawksbill turtles, where one can daily watch turtles lay their eggs in the sand or swim to sea with the turtles.

The entire marine conservancy region covers a total area of no less than 1.27 million hectares. It is the perfect tropical qparadise with warm, isolated islands, soft white sand beaches fringed with waving palm trees, pristine seas that change color from green to deep blue, and an amazing underwater life of giant turtles, dolphins, manta rays, dugongs and barracudas, stingless jellyfish and sometimes, whales. Here, you can find 460 different species of corals, ranking this area second only to the Raja Ampat Islands in West Papua. The Nature Conservancy and a team of international experts also found more than 870 species of fish here, ranging from tiny pygmy seahorses to giant manta rays. So, if you love marine life and water sport, Darawan island is waiting for you.

Derawan Island is a favorite place for exploring marine life. There are many rare animals such as the green turtle, the scarlet turtle, star fruit turtle and sea cow. The place is also home to many rare species of marine plants and coral reef. It is also a good place for scuba diving, pearl diving, fishing, swimming and other water sports.

1. What is the topic of the text?
2. What is the main idea of the first paragraph?
3. What does the place look like?
4. What activities can we do there?
5. How do you think about the writer's feeling when he wrote the text?

**Answer:**

**1.**
