1. Your speech should be about the platform on which you are running. Your platform must be completed during your term as an officer by your home school (not to be carried out by adult members of the OASC Board). It must be presented by the candidate(s) who will represent the school and must be a minimum of one minute in length of the four minutes. The speech should address why the school is the best candidate, not the individual. The campaign booth theme can be incorporated into the speech.**
