

Hello Parents:

Thank you for taking the time to attend our Destination Imagination Info night! We are looking forward to another fun and successful season at Stoneridge. If your child would like to be placed on a DI team, please click on and complete the following google form: [Stoneridge - DI Team Placement Form](#) . My goal is to have team finalized by September 7th.

As always, placement on a Destination Imagination team is dependent on how many parents we have to manage teams every year. We are always looking for new parents to manage/co-manage teams to insure that all kids can participate. We will provide training and a "Road Map" that will give you a lesson plan for every meeting. Over the last few years, I've found that having a co-manager and delegating tasks to parents has been super helpful. Parent participation is required. Here are some ways that parents/co-managers may be asked to help:

- Host a meeting
- Teaching a skill
- Putting together Instant Challenge packets for meetings or IC Nights
- Volunteer at IC Playday, Skills Day, IC Nights
- Snacks
- Volunteer shift at tournament
- Appraiser shift (or find an appraiser) for the tournament
- Team photographer
- Make team shirts
