Scheduling Classes for 2026-2027
@ Sheboygan North High School

"Important Grade Level Information" for Current (read this prior to course selections):

For 8th grade students (doc) - or you can watch a video here
For 9th grade students (doc) - or you can watch a video here
For 10th grade students (doc) - or you can watch a video here
For 11th grade students (doc) - or you can watch a video here

`

Course Selection Sheets (use as a guide to help you make appropriate, grade level course selections - we will need to collect a completed Course Selection Sheet for each student:

For 8th grade students
For 9th-grade students
For 10th-grade students
For 11th grade students

Course Description Guide Link - use this to look up additional information about courses (course descriptions, prerequisites, types of credit offered, appropriate grade level, etc).

Counselors are available via email or in person/video to discuss scheduling options and answer any questions. Counselors have established set appointment times and will be available to meet with students and/or parents. **However, ANY meetings that are needed by a student or parent must be done via an appointment - our offices are NOT open for walk-in appointments.**

a. Please only schedule appointments to see your assigned counselor. If you are not sure who your assigned counselor is please click here.
b. Appointments can be made via this link. Appointment slots are 15 minutes long. If you feel that you may need more time then schedule back-to-back appointments for a 30 minute max per student - but only if needed as other students may also need to schedule a time.
c. Any appointments that may be needed outside of the regular school day must be made via communication with the counselor.

Course Selection Timeline for 2026-27 (Current North Students 9-11th Grade)

1st week of Second Semester - Homeroom Activity - go over "Important Grade Level Information" per grade level - introduce course selection sheets and where to find scheduling resources.

Scheduling Classes for 2026-2027
@ Sheboygan North High School

2nd week of Second Semester - Homeroom Activity - Xello Course Planner activity - how to start entering classes in Xello Course Planner. Video Instructions: "Course Selections In Xello" (8:37)

Monday, February 2nd - Friday, February 6th - counselors working with students during their 9th, 10th and 11th grade core English classes to complete their course submissions in Xello.

Course Selection Timeline for 2026-27 - 8th Grade:

- **at Urban, Horace Mann, Farnsworth, Lake Country Academy, and Sheboygan Leadership Academy**

Round 1 visits = counselors working with 8th grade students and their high school course submissions with Course Selection Worksheet and Workbooks

Round 2 visits = counselors working with 8th grade students to submit course Selections to Xello via the Xello Course Planner activity: "Course Selections In Xello" (8:37)

- Sheboygan Leadership Academy and Lake Country Academy students will only submit their course selection sheets to the counselors as they do not work in Xello until they get to North/South.

Meetings with students from charter or parochial schools are made on an individual school basis (if requested) in January or February.

Students/families from other charter or parochial schools (as well as any other prospective families) are welcomed to arrange an in-person meeting with one of our school counselors to go over any school, course selection, curriculum, or other miscellaneous questions/information. A meeting can be made by contacting the Student Services Department at (920) 459-3558. Other general questions can be directed to Trevor Tagel at ttagel@sasd.net.

(For all students) By the end of March-Mid April - any course selection changes need to be made for the following year. Contact your counselor for any changes as changes cannot be made in Xello after courses have been submitted.
