Dear California Job's Daughters family:

The California Job's Daughters Foundation donates thousands of dollars each year to scholarships, leadership training and non-profit charities. We are only capable of making these donations through your generous support and tax-deductible donations. Our largest fundraiser is the Annual Silent Auction at Grand Guardian Council this November in Sacramento, California. With your help, we are certain we will make this annual fundraiser a great success to assist us in supporting the great work of California Job's Daughters.

There are two ways in which you can support the Foundation at the silent auction:

1. Make and bring your donation to Grand Guardian Council. Donation ideas include: a handmade craft; themed basket; Job's Daughters memorabilia; gift cards, tickets; etc. Why not make it a Bethel project? Items made by the Bethels are the most sought after at the auction.

If you are bringing donated items to Grand Guardian Council, the committee needs to know in advance to prepare bid sheets. All we need is a brief description and the value/retail cost emailed to Sharron Porter at Secretary@cajdfoundation.org. Receiving this information in advance greatly assists with set-up prior to the start of session.

2. We realize schedules can be hectic and difficult to find time to put together a basket. Therefore, we are providing another option. Send gift cards of your choice and we will add to baskets or gift card trees in the silent auction or opportunity drawing. You can also send a check made out to California Job's Daughters Foundation and mail to: Silent Auction Committee, c/o Dorinda S. Chu, 9037 Meadowsweet Way, Elk Grove, California 95624 by Monday, October 31, 2022. We will purchase the gift cards on your behalf.

Either way, you will be contributing to an exciting event and the future of our California Job's Daughters.

Please feel free to contact me with any questions or concerns regarding the silent auction. My contact information is as follows by email: pandadchu@aol.com or phone: 916-715-8501.

Thank you, in advance, for your support and making a difference in our youth's lives.

Sincerely,

Dorinda S. Chu
