Privacy Policy for Scroll Control

Last updated: Dec 17, 2024

Scroll Control (“we,” “our,” or “us”) is committed to protecting your privacy. This Privacy Policy outlines how we handle your data when you use our iOS application (“App”). By using the App, you agree to the terms outlined in this Privacy Policy.

Information We Do Not Collect

Scroll Control is designed with your privacy in mind. We do not collect, store, or process any personal or non-personal information from users. Specifically:

- **No Personal Information:** We do not collect your name, email address, phone number, or any other personally identifiable information.
- **No Usage Data:** We do not track how you use the App or collect analytics data.
- **No Device Data:** We do not access or store any information about your device, such as your IP address, device model, or operating system version.
- **No Third-Party Integrations:** The App does not integrate with or send data to any third-party services or platforms.

Local Data Storage

The App may save settings or preferences locally on your device to enhance your user experience. This data is stored only on your device and is not accessible to us or any third party.

Children’s Privacy

Scroll Control does not collect any information from users, including children under the age of 13. The App is safe for users of all ages.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected in this document, and the updated Privacy Policy will include a revised “Last updated” date. We encourage you to review this Privacy Policy periodically.
