

LA CSEDO: A Thermal Smart Mug That Truly Maintains Heat, Launches Pre-Orders on Indiegogo!

With precise temperature control, a built-in heating system, and intelligent timing, LA CSEDO sets the stage for perfect coffee moments.

October 19, 2023: The team at LA CSEDO is proud to announce the launch of their Indiegogo crowdfunding campaign for **LA CSEDO A Thermal Smart Mug That Truly Maintains Heat** (<https://www.indiegogo.com/project/preview/c686500d>)

Under the enchanting magic of LA CSEDO's smart thermal coffee mug, we're ushering in a new era of coffee enjoyment. Armed with precise temperature control, intelligent timing, and a built-in heating system, there's no more rushing, no more guesswork—only warmth and perfection! Let LA CSEDO be your daily "Warm Moment"!

Highlighted Features

- **Built-in Heating System:** Want a consistently warm cup of coffee? LA CSEDO's smart thermal coffee mug comes with a built-in heating system, providing you with 7 precise constant water temperature settings, ensuring your coffee's consistent taste.
- **Long-lasting Coffee Insulation:** No need to rush through your coffee; the efficient insulation system keeps your coffee warm, allowing you to savor it slowly and make life more leisurely.
- **Real-time Temperature Display:** A quick glance reveals the coffee's temperature, no more waiting or guessing, just the perfect coffee moment.
- **Timer Function:** Craving a steaming cup of coffee in the morning? LA CSEDO offers a timer function, so your coffee is preheated and ready to enjoy without any wait.
- **1 LA CSEDO Equals 2 American Coffees:** With its unique design, one LA CSEDO coffee equals two American coffees, enhancing the coffee's flavor. Share the warmth with family and friends, and the enjoyment is doubled.
- **Dishwasher-Friendly:** No need to spend time washing; LA CSEDO's smart thermal

coffee mug is dishwasher-friendly, offering you more convenience in life.

- **Triple-layer Leak-proof Design:** Safety first. The triple-layer leak-proof design provides you with peace of mind.
- **Lightweight Design:** Lightweight and portable, designed to let you enjoy the delicious taste of coffee whenever you want.

Detail Showcase:

- **316 Stainless Steel Inner Container:** Made with high-quality 316 stainless steel, it's a safe container for your coffee.
- **Safest Tritan Material Cup Lid:** The Tritan material cup lid puts safety first and ensures a worry-free choice.
- **Gold-plated Signal Power Pin:** The gold-plated signal power pin ensures durability and stability, always providing you with a reliable power connection.
- **With Spoon and Straw:** Every detail is carefully designed, including the included spoon and straw, making life more convenient.

LA CSEDO's Smart Thermal Coffee Mug is not just a cup of coffee; it's a glimpse into the finer aspects of life. Share the warmth with yourself or with loved ones, because every beautiful moment deserves to be cherished. Choose the innovative choice, experience the gift of warmth, and make life even more flavorful.

About Us

The mission of LA CSEDO is to enhance the coffee experience, making every cup of coffee a true delight. Our team brings together professionals from various fields, working together to address a longstanding challenge faced by coffee enthusiasts: the rapid cooling of coffee, which causes it to lose its ideal temperature.

The LA CSEDO Thermostatic Coffee Mug is our solution. It combines advanced heat control technology and precision engineering to ensure that your coffee remains at the ideal temperature from the first sip to the last. No more need to rush through your coffee, because our Thermostatic Coffee Mug allows you to savor the warmth and richness of every sip.

We are continuously pursuing innovation in the fields of technology and engineering, committed to providing high-quality products. We are always mindful of environmental sustainability, striving to reduce our impact on the earth. Customer satisfaction is our guiding principle, and we actively seek feedback to improve our products, ensuring that every customer receives the best service!
