Introduction

The Ministry of Education (MoE), Government of India (GOI) has established the National Testing Agency (NTA) as an independent, autonomous, and self-sustained premier testing organization under the Societies Registration Act (1860) for conducting efficient, transparent and international standards tests in order to assess the competency of candidates for admissions to premier higher education institutions.

The National Testing Agency (NTA) has been assigned the task of conducting the Central University Entrance Test (CUET) for Post Graduate (PG) programmes for 2022.

Central University Entrance Test (CUET), for admission to different programmes of the participating Central Universities, will provide a single window opportunity to the students to seek admission in these participating Universities / Institute(s) across the country.
