

Construction Intern – Summer 2025

Agile Homes | Paid Internship | \$15/hr

Agile Homes is looking for a motivated high school intern to gain hands-on experience in all aspects of the home-building industry. This is a great opportunity to learn about construction, sales, marketing, drafting, and project management while developing strong work habits and efficiency.

What You'll Do:

- **Construction & Field Work:** Assist superintendents with job site inspections, perform job site cleanup, and learn about safety and best building practices.
- **Marketing & Sales Support:** Print and distribute flyers, create marketing materials, and assist with website updates.
- **Model Home Sales Assistant:** Work in our model homes on Saturdays, assisting prospective buyers.
- **Drafting & Design Exposure:** Work alongside our drafting team to learn about home design and conduct product tours.
- **Technology & Computer Use:** Assist with website updates, use spreadsheets, create flyers, and work with various software tools related to construction and sales.
- **General Cleanup & Maintenance:** Help with basic cleanup tasks in our office, model homes, and on job sites.
- **Management & Process Learning:** Work directly with Agile Homes' Management Team to develop strong work habits, efficiency, and a "get stuff done" mentality.

Requirements:

- Must have reliable transportation (mileage reimbursement provided).
- Ability to use computers, including basic proficiency with spreadsheets and documents.
- Willingness to get dirty at times and perform hands-on tasks.
- Must be able to lift 25 pounds.
- Available to work Saturdays in our model homes.

This internship is a great way to build real-world skills in home building and business operations. If you're interested in an exciting summer learning experience, apply today!
