University of Białystok

UwB has launched a website dedicated to the 25th anniversary of the university taking place this year: <https://25.uwb.edu.pl/>. It contains information about current and historical events, interesting facts, the most important investments, media gallery, archival recordings. The anniversary website will be constantly updated. Interviews with all university rectors starting from 1997, as well as with employees and students will appear there soon. University's history, development and achievements will be visible through the prism of specific people. There will be plenty of memories, anecdotes and curiosities. <https://uwb.edu.pl/nawosci/aktualnosci/25-lat-universytetu-w-bialymstoku-ruszyla-jubileuszowa-strona-internetowa/231b6642>

For information:

University of Białystok — 25th

Herzen State Pedagogical University of Russia — 225th

Immanuel Kant Baltic Federal University — 75th

University of Warmia and Mazury in Olsztyn

UWM student of Landscape Architecture, Kinga Krzemińska (Rosiak) proposed to build a green lecture hall on the campus on Kortowo Lake to conduct outdoor lectures and activities. In the afternoons and at weekends, this place could be used as a meeting and recreation point. The project also envisages the creation of an open-air gallery and contains many other interesting findings.

University of Warsaw

On 31 January, Jerzy Pieszczurykow terminated his 24-year work as UW Chancellor. Since 1 February, the Chancellor's duties are being fulfilled by Robert Grey, former Director for Communication and External Relations, and Rector's Plenipotentiary for Development and Cooperation. The Chancellor is the head of the whole University's administration. The Chancellor annually reports for the activities of administration to the Rector. According to UW Statute, the Chancellor is selected by way of a competition.
