

How to find your child's report cards in Veracross

1. In Veracross, click **Classes and Reports**:

2. Click Semester 1 (or Semester 2) depending on the time of year. This will bring you directly to the report card for that semester, which you can download and save to PDF. The report cards will remain in Veracross until the end of the school year and will thereafter be archived, so we recommend you download and save them right away.

Notes:

Primary School students receive two report cards per school year - in December and June.

Middle School (Grades 6-8) and Grades 9-10 receive two report cards - in January and June

Grade 11 students receive four: October (Quarter 1), January (Semester 1), March (Quarter 3) and June (Semester 2).

Grade 12 students receive three: Quarter 1, Semester 1, Semester 2

Download past years' report cards

If you have forgotten to download your **child's report card from past school years**, you can do so in the Parent Portal.

1. Go to 'Links'
2. Choose 'Past years report cards & progress reports'
