*** means doing the problems was optional, but the handout must be in the packet. If you did any of the problems, please include the binder paper after the worksheet handout!**

Points:

- Required Worksheets
 - Each worksheet completed, corrected in green pen and included in packet = 3 points
 - Each worksheet completed, NO green pen corrections, and included in packet = 1 point
- Worksheets that don't require work (* optional worksheets, lab instructions, etc)
 - Each included in packet = 3 points
- Cover sheet:
 - Completed correctly = 3 points
 - Claiming a worksheet was present/corrected/completed when it wasn't = no points for that worksheet, and a loss of 3 points for the cover sheet.
