Morning Drop Off - Keep our Students Safe!

Dear Rossman Families,

As we move through our busy mornings together, I want to send a friendly reminder about our drop-off procedures to help keep everyone safe and ensure a smooth start to the school day.

- **Please pull all the way forward in the drop-off lane** before letting your child out.
- **Do not park or exit your vehicle** while in the drop-off lane.
- **Make sure your child is ready to exit efficiently**—backpacks, jackets, and goodbyes prepared ahead of time.
- **Watch carefully for students using the crosswalk** near the front doors.
- If you need to get out of your car to help your child, **please park in a designated spot** in the front half-circle drive or on Rossman Ave.

Thank you for your cooperation and patience each morning. **Safety is our top priority**, and your partnership helps keep every student safe. Please keep an eye out for children during drop-off—they're excited and sometimes move quickly!

We appreciate your support and care for our school community.

Truly,

Mrs. Sternberg
