

Garm went down to Georgia
he was looking for a Grand to steal.
He was in a bind,
his rank way behind,
he was looking to make a deal.

When he came upon a fella playing 2 ship and playin' it hot,
and he hopped right up to table one and said "boy I'll tell you what.

I guess you didn't know it but I'm a good commander too.
And if you care to take a dare,
I'll make a bet with you.
Now you fly a pretty fine two ship, but give Bel Iblis his due.
I'll bet a card of gold against your soul
cause I think I'm better than you."

The boy said "my name's Romodi and it might be a sin,
but I'll take your bet and you're gonna regret
'cause I'm the best there's ever been."

Romodi break out your dice and roll those doubles hard,
cause Garm is loose in Georgia and we're gonna judge some cards.

And if you win you'll get this shiny card that's made of gold...
but if you lose the coasters get your sooooooooooul!

Garm sat down a Pelta and said "I'll start this show"
And tokens flew from his fingertips as he tossed away Hondo.
And as he discarded one of them it made an evil hiss
And fire was intensified and it sounded something like this....

When Garm had finished Romodi said "You're pretty good old son.
But I've got Pryce and first player so let me show you how it's done."

He shot from extreme range run boys run!
Pryce is on the ship with a big ol' gun!
Hondo gave a token to make this a go!
Gonna take a double arc, no child no!

Garm bowed his head because he knew that he'd been beat.
And he laid that gold card on the floor near Romodi's feet.

Romodi said "Garm, just come on back if you ever want to try again.
I done told you once you son of a bitch I'm the best there's ever been!"
