(4) Involving other people's privacy, personal information or data;

(5) Infringe on other legal rights such as reputation rights, portrait rights, intellectual property rights, and trade secrets;

(6) Contains other information that interferes with the normal operation of the service and infringes the legitimate rights and interests of other users or third parties.

2. Rules of use

1. Any content transmitted or published by the user in or through the service does not reflect or represent, nor shall it be deemed to reflect or represent the views, positions or policies of the software, and the software shall not bear any responsibility for this.

2. Users shall not use this software account or this service to conduct the following behaviors:

(1) Submitting or publishing false information, or stealing other people's avatars or materials, impersonating or using other people's names;

(2) Forcing or inducing other users to follow, click on linked pages or share information;

(3) Fabricating facts and concealing the truth to mislead or deceive others;

(4) Using technical means to create false accounts in batches;

(5) Using the account or this service to engage in any illegal and criminal activities;

(6) Produce and publish methods and tools related to the above acts, or operate or disseminate such methods and tools, regardless of whether these acts are for commercial purposes;

(7) Other acts that violate laws and regulations, infringe on the legitimate rights and interests of other users, interfere with normal operations, or do not expressly authorize the service.

3. The user shall be fully responsible for the authenticity, legality, harmlessness, accuracy, validity, etc. of the information transmitted by using the account or this service, and any legal responsibility related to the information disseminated by the user shall be borne by the user himself. Software has nothing to do.

If any damage is caused to a third party, the user shall make compensation according to law.

4. The services provided by this software may include advertisements, and the user agrees to display advertisements provided by third-party suppliers and partners during use. Except as clearly stipulated by laws and regulations, the user shall be responsible for the transactions carried out in accordance with the advertising information.

The software does not assume any responsibility for the loss or damage suffered by the user due to the transaction based on the advertisement information or the content provided by the aforementioned advertiser.

3. Others

1. Use of information

a) Private album manager: The encrypted video and photo file safe's access to the address book requires your consent. It is only convenient for local quick dialing of the contact's phone number, and will not upload the communication to the server. If not allowed, the Sleep tracker:Sleep recorder safe will not be able to read your address book, and cannot access the number of the contact in the address book, but you can enter the number to dial.

b) Sleep tracker:Sleep recorder Safe will not provide, sell, rent, share or trade your personal information to any unrelated third party, unless you have obtained your permission in advance, or the third party and Sleep tracker:Sleep recorder Vault, individually or collectively, is provided to you as a service, and upon termination of such service, it will be blocked from accessing all such material, including all such materials to which it was previously able to access.

c) Private album manager: Encrypted video and photo file safe also does not allow any third party to collect, edit, sell or disseminate your personal information by any means. If any user of the Private Album Manager: Encrypted Video, Photo File Safe platform engages in the above activities, upon discovery, Sleep tracker:Sleep recorder Safe has the right to immediately terminate the service agreement with the user.

d) For the purpose of serving users, the private album manager: the encrypted video photo file safe may use your personal information to provide you with information that you are interested in, including but not limited to sending you product and service information, or communicating with the private album Steward: Encrypted Video Photo File Vault partners share information so they can send you information about their products and services (the latter requires your prior consent).

2. Scope of application

When you use Private Album Manager: Encrypted Video and Photo File Safe, you provide personal usage information according to the requirements of Private Album Manager: Encrypted Video and Photo File Safe.

You understand and agree that the following information does not apply to this Privacy Policy:

a) The keyword information you entered when using the search service provided by the Sleep tracker:Sleep recorder platform;

b) Private Album Manager: The encrypted video photo file safe collected the relevant information and data released by you in the Sleep tracker:Sleep recorder safe, including but not limited to participating activities, transaction information and evaluation details;

c) Violation of the law or violation of the rules of the Sleep tracker:Sleep recorder safe and the measures that the Sleep tracker:Sleep recorder safe has taken against you.

3. Information disclosure Under the following circumstances, the Sleep tracker:Sleep recorder safe will disclose your personal information in whole or in part according to your personal wishes or legal regulations:

a) Disclosure to third parties with your prior consent;

- b) In order to provide the products and services you requested, it is necessary to share your personal information with third parties;
- c) According to the relevant provisions of the law, or the requirements of administrative or judicial agencies, disclose to third parties or administrative or judicial agencies;
- d) If you have violated relevant Chinese laws, regulations or Sleep tracker:Sleep recorder safe service agreement or related rules, you need to disclose it to a third party;
- e) If you are a qualified intellectual property complainant and have filed a complaint, you should disclose it to the respondent at the request of the respondent so that both parties can handle possible rights disputes;
- f) In a certain transaction created on the Sleep tracker:Sleep recorder safe platform, if any party to the transaction fulfills or partially fulfills the transaction obligations and makes a request for information disclosure, Sleep tracker:Sleep recorder safe has the right to decide to provide the user with the necessary information such as the contact information of the counterparty to facilitate the completion of the transaction or the resolution of the dispute.
- g) Other private album stewards: Encrypted video, photo, file safes are disclosed as appropriate according to laws, regulations or website policies.

4. Information storage and exchange The information and materials about you collected by the Sleep tracker:Sleep recorder safe will be stored on the servers of the Sleep tracker:Sleep recorder safe and/or its affiliated companies. It may be sent to your country, region or private album manager: the encrypted video, photo, file safe collects information and materials outside the country and is accessed, stored and displayed outside the country.

Sleep tracker:Sleep recorder safe guarantees that the upgrade module of this software does not contain any malicious codes designed to destroy user computer data and obtain user privacy information, and does not contain any functional codes that track and monitor user computers and/or operating behaviors, will not monitor user online or offline behavior or leak user privacy.

5. Information security

Private album manager: Encrypted video, photo, and file safes all have security protection functions, but at the same time, please note that there are no "perfect security measures" on the information network.

6. How do we handle personal information of minors

- a) If you are a minor under the age of 14, before using our products and/or services, please be sure to read this policy accompanied by your guardian, and ensure that you have obtained the explicit consent of your guardian before using.
- b) For the collection of minors' personal information with parental consent, we will only use or publicly disclose this information when permitted by law, with the explicit consent of parents or guardians, or when it is necessary to protect minors.
- c) If your guardian disagrees with your use of our services or providing us with personal information in accordance with this policy, please immediately stop using our services and notify us in time.
